Mr. Chevalier (teaching artist, musician and song writer) is coming to our school to work with all the 2nd & 3rd graders in our building to write (and record onto CD) a song about bullying. You can help create the ideas for the lyrics by completing the following.

This is an OPTIONAL assignment for the students. Students do not have to participate in this portion of the song writing if you do not wish to do so. If you would like to help out, please have your child complete at least 1 of the following questions (feel free to do more if you want). Please write neatly and use complete sentences if possible. If you need room, you can write on the back of this sheet or staple another piece of paper to it.

Please return this paper to the box outside of the music room by .

Grade 2 & 3: Bullying Song

TOPIC: “Bullying isn’t always about being in your face. Sometimes it starts simply by someone saying something mean. ”

Describe a time when you said “I was just kidding...” to someone and they go upset. How did you feel afterwards? How did they feel?

Describe a time when someone said to you “I was just joking...” and your feelings were hurt. How did you feel afterwards? How did they feel?

Write a short paragraph about a time when you were bullied. (don’t use real names – use Fred’s name instead).
