## About Brian Chevalier

**Brian Chevalier has been energizing audiences throughout NJ, NY (including Long Island), CT, PA, MA, NH and VT for 25 years.** He has been providing school assemblies, school programs and artist in residence programs since 1995. Brian first received his training as a Teaching Artist through the Albany/Schenectady League of Arts apprenticeship program. Brian has been trained in the Lincoln Center approach to Aesthetic Education. Brian facilitates workshops for the Capital Region Center For Arts In Education. He also recently completed a grant from the New York State Council on the Arts for which he has

composed a collection of songs that address the history and folklore of the Adirondacks. In addition to his ongoing work in the schools he is working on several grants that are assisting him in developing new programs that will be available for next year.

With his highly interactive and engaging delivery of various music styles from Rock to Blues to Reggae to folk, Brian will have your Kindergarten through sixth grade students up and moving! He specializes in working with Elementary school aged children.

Most of Brian's repertoire of songs have been written in collaboration with educators so the connection to curriculum and Character Education is right on. Brian has also become well known for his residency programs and workshops throughout the Capital Region and the Northeast.

*"Whether you are looking for an Arts experience with a solid curriculum connection or for an engaging performance for your school, I look forward to brainstorming and collaborating with you to help you create an educational and memorable event for your school!" ~ Brian Chevalier*
